On August 8, 1985, the Director, Nuclear Reactor Regulation, issued an Amendment of Order modifying certain pages of the TMI-2 Proposed Technical Specifications (PTS). It has been brought to our attention that two editorial errors and an additional typographical error are associated with the modified pages.

On page 3.7-2 of the PTS, Sections 3.7.3.2 and 3.7.3.3 were not removed, although they had been correctly deleted and transposed to page 3.7-1. On page B 3/4 7-1, Section 3/4.7.3.3 MINI DECAY HEAT REMOVAL SYSTEM, was inadvertently omitted. Also, on page B 3/4 7-1, in Section 3/4.7.6 FLOOD PROTECTION, the value 301 ft. should be 302 ft.; the correct value was inadvertently changed in the submittal of Technical Specification Change Request Number 46, dated November 6, 1984. The enclosed pages replace and amend those transmitted in the Amendment of Order dated August 8, 1985.

Sincerely,

Original signed by  
B. J. Snyder

Bernard J. Snyder, Program Director
