Re: Our Materials License 22-12030-02, Amendment No. 03,
expiring on February 28, 1990.

Dear Mr. Reichhold:

Effective November 30, 1985, I will be retiring from
Cargill after 38 years. At that time our license should be
amended to delete my name.

In paragraph No. 12, please replace my name with that of
Elmer A. Potter, Sr. In paragraph No. 14, remove my name, retain
Elmer A. Potter, Sr. and add the name of Production Supervisor
James L. Howe. Mr. Howe has had many years of experience with
Ohmart level measuring devices, both at this plant and previously
at our Minneapolis Flax Plant. He is well aware of requirements
for the use of this device.

Please contact me if you have any questions.

Yours truly,

Fred A. Brosius
