MEMORANDUM FOR: Files

FROM: C. James Holloway, Jr., Acting Director
License Fee Management Staff, ADM

SUBJECT: FEES FOR LICENSING ACTIONS ISSUED CONCURRENT WITH
TRANSFER OF REGULATORY AUTHORITY TO THE STATE OF IOWA

Effective January 1, 1986, Iowa became an Agreement State. Fourteen active NRC licenses issued to licensees in the State of Iowa prior to the agreement authorized places of use in Iowa as well as NRC States or territories. In order to transfer the Iowa portion of the licenses to the State and retain the portion that would remain under NRC's jurisdiction, the Region III Licensing staff created amendments to the existing licenses to authorize use only in Iowa, and created new licenses authorizing use in NRC States or territories. The amended licenses were then transferred to Iowa and NRC retained the new licenses. (See attached list). Since the issuance of the amendments and new licenses was initiated by the Licensing staff in order to accommodate the agreement with Iowa, and since the actions were taken without applications being filed by the licensees, fees were not required for the licensing actions.
