Mr. Joseph J. Holonich, Chief
High-Level Waste and Uranium Recovery
Projects Branch
Division of Waste Management
Office of Nuclear Material Safety
and Safeguards
Mail Stop T7J9
U. S. Nuclear Regulatory Commission
Washington, DC 20555

Dear Mr. Holonich:

Enclosed are three copies of the signature pages for the Remedial Action Plan and Site Design for Stabilization of the Inactive Uranium Mill Tailings Sites at Slick Rock, Colorado. Based on the receipt of your correspondence, dated October 1, 1996, and with conversations with Ms. Charlotte Abrams of your staff, it is our understanding that all outstanding issues have been resolved to your satisfaction; therefore, we request the NRC to concur on the site Remedial Action Plan. Once you have signed the signature page, please return all copies to this office. Once all the required signatures are acquired, an original copy will be sent back to you.

If you have any questions, please call me at (505) 845-5969.

Sincerely,

J. M. Pape
Site Manager
Environmental Restoration Division
