Mr. Timothy F. Hagan, Contracting Officer  
U.S. Nuclear Regulatory Commission  
Washington, D.C. 20555

Subject: Invitation for Bid-No. RS-RDH-86-250

Dear Mr. Hagan:

Thank you for your letter dated February 12, 1986 regarding clarification of the bid submitted by Data Base to the NRC on January 23, 1986 for archival material storage and related services.

The computations as stated in your letter are correct. To verify, each of the following is submitted:

## Section B.1, Basic Two Year Requirement

(1) Extended amount for Item No. 1. The extended amount, assuming the entire estimated quantity is ordered and occupied, would be \$98,400.00 (\$4.10 per cu. ft. per month x 1,000 cu. ft. = \$4,100.00 for one month x 24 months = \$98,400.00).

(2) Extended amount for Item No. 2. The same extended amount as for Item No. 1.

(3) Unit price and extended amount for Item No. 4. Based on the extended amount of \$1,090.00 for 1,100 sq. ft. per month, the unit price is \$.9909 per sq. ft. Assuming NRC will exercise the option for the entire estimated 1,100 sq. ft. for the 24-month period, the extended amount for this item would be \$26,160.00 (\$.9909 per sq. ft. per month x 1,100 sq. ft. = \$1,090.00 for one month x 24 months = \$26,160.00).

It is understood this item may be ordered at the option of the government for all, part, or none of the 24-month period. There is no obligation by the NRC to exercise this option.

(4) For purposes of bid evaluation, the total amount of the Data Base bid to include options for the Basic Two Year Requirement is \$312,360.75.

## Section B.1, Option Year Requirement

(1) Extended amount for Item No. 11. At \$4,100 per month, again assuming the estimated 1,000 cubic feet are ordered and occupied, the extended amount for the 12-month period is \$49,200.00.

(2) Extended amount for Item No. 12. The extended amount for this item is the same as Item No. 11 above.

(3) Unit price and extended amount for Item No. 14. As in Items No. 4 above for the basic contract period, the unit price per square foot is \$.9909. The extended amount for the 12-month period is \$13,080.00 (\$.9909 x 1,100 sq. ft. = \$1,090.00 per month x 12 months = \$13,080.00).

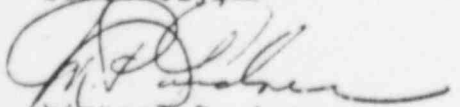

(4) For purposes of bid evaluation, the total amount of the Data Base bid to include options for the Option Year Requirement is \$156,943.00.
