Gentlemen:

This refers to that part of your letter dated February 17, 1986, to register as a user of packages listed in 29 certificates of compliance.

In connection with your request, you should provide your Materials License Number. Also, note that the general license applies only to licensees who have a copy of the certificate of compliance and the drawings and other documents referenced in the approval relating to the use and maintenance of the packaging and to the actions to be taken prior to shipment. In regard to this requirement, please confirm that you have in your possession the information required for each package registration under the general license provisions.

Sincerely,

Original Signed by
