Dear Mr. Weber:

Re: Letter, JB Edgar to MF Weber, dated January 27, 1997

Enclosed, as discussed in item 4.2 of the referenced letter, is a fire hazardous analysis for the MERF prepared by Recodyne for Siemens Power Corporation. The analysis contains information proprietary to Recodyne and an affidavit attesting to that fact is enclosed.

If you have any questions or require further information, please call me at 509-375-8663.

Very truly yours,

James B. Edgar  
Staff Engineer, Licensing

# Affidavit of ~~Raymond~~ E. Vaughan

I, Raymond E. Vaughan, being first duly sworn, depose and says:

1. I am Manager, Safety, Security & Licensing of Siemens Power Corporation - Nuclear Division, a corporation duly organized and existing under and by virtue of the laws of the State of Delaware, with offices at 2101 Horn Rapids Road, City of Richland, County of Benton, State of Washington, and on whose behalf I make this affidavit.
2. I am familiar with the contents of Recovery Dynamics Corporation document R-122-00, "Fire Hazard Analysis for the Modular Extraction/Recovery Facility." This document:

(i) has been held in confidence by Recovery Dynamics Corporation pursuant to its internal policies, (ii) is presented to the U.S. Nuclear Regulatory Commission in confidence, and (iii) is not available from public sources.

I am authorized to make the statements that are set forth herein and in the above mentioned document on behalf of Siemens Power Corporation - Nuclear Division (owner of the information) and the statements made in this affidavit and said document are, to the best of my knowledge, information and belief, truthful and complete.
