Millstone Nuclear Power Station, Unit Nos. 1, 2, and 3  
Revision to the 1997 Emergency Plan Exercise Dates

Northeast Nuclear Energy Company (NNECO) hereby requests a change to the schedule for our annual emergency preparedness exercise at the Millstone Nuclear Power Station. The plume pathway portion of the exercise, originally scheduled to be conducted on October 8, 1997, is now scheduled to be conducted on August 21, 1997. The ingestion pathway portion of the exercise is still scheduled to be conducted on October 9 and 10, 1997. The new dates were previously discussed with the NRC Region I Staff.

The above date change has been coordinated with the State of Connecticut and FEMA.

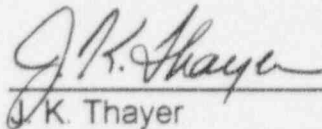

Please confirm your acceptance of this schedule change.

Should you have any questions concerning this date change, please contact Mr. Peter J. Stroup, at (860) 440-2047.
