SUBJECT: EXPORT LICENSE XM08561, AMENDMENT NO. 11

Dear Ms. Dedik:

We have been advised by Transnuclear, Inc. that they do not intend to pursue the addition of the two intermediate consignees which were requested under Amendment No. 11. We have, therefore, issued the amendment to include only an additional U. S. supplier. Transnuclear said they would apply for another amendment at a later date if they decide to add additional intermediate consignees. We are attaching a copy of XM08561, Amendment No. 11 for your files.

Please advise EURATOM of the above information.

Sincerely,

Ronald D. Hauber, Director  
Division of Nonproliferation, Exports  
and Multilateral Relations
