Washington, DC 20555

Subject: Application for Byproduct Material
License (Industrial)

Gentlemen:

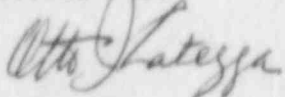

Enclosed herewith please find submittal to apply for a new license, as follows:

- 1) Application form (NRC No. 3131), addendum to application form and exhibits A through G, all in duplicate, each copy bound in one volume and duly identified.
- 2) Exhibit H (physical sample), in duplicate, boxed and labeled for identification.
- 3) Check in the amount of \$2,180.00 to cover evaluation (\$1,600.00) and license (\$580.00) fees.

We look forward to being in possession of the license by February 1985. Please do not hesitate in contacting the undersigned for any additional material or information deemed necessary to facilitate or expedite your evaluation and process of this application.

Sincerely,

SCOVILL INC.
