SUBJECTS TO CONSIDER

COMMUNICATIONS - Need for direct - expeditious action

1. WHY DOES B&R NOT RESPOND FEATHRIGHTLY:

a) B&R should present solution to problems
& their official report to HLP

Example:

1- Quadrex Report Findings

B&R claimed they knew
about this then - for
as long as maybe
10 or 12 years to 18 months

2. If so - why wasn't this
discussed with HLP?

b) Subcontracts - continued, source of
bad performance

BIGLIE
Bowen
RECD

} others

c) Implementation of commitments

1- too many AD's, etc outstanding
- lack of management
drawing outstanding issues
to some acceptable conclusion

2. Use of A/R (Gibbs & Hill, (W), Black & Veatch)

- No apparent direct communication with HLP
- B&R should establish scope of involvement
responsibilities, types of people,
B&R Coordination Responsibilities, Cost

3. Rice Letters { more, etc?

4. Attitude - don't take the owner serious
- B&R can do no wrong
