U. S. Nuclear Regulatory Commission  
Material Licensing Branch  
Division of Fuel Cycle and Material Safety  
Washington, D. C. 20555

The Postal Service wishes to continue to operate under our current license (35-19160-01) as amended by letters dated September 26, 1979, February 11, 1980, January 27, 1981, April 20, 1981, July 21, 1981, March 16, 1982, June 9, 1982, and August 2, 1983. It is our intent to operate our program in accordance with these documents and applicable NRC regulations and license requirements or more stringent requirements of the Postal Service.

Inasmuch as Title 10 CFR 170.11a5 exempts the Postal Service from renewal fees, no fee payment is included with this request.

For information about our renewal request, please contact either Mr. Zack McCain at FTS 743-8253 or Mr. Bill Hayen at FTS 743-8252.
