Dear Sir:

In reply to your letter reference L&R:IB:37 concerning expiration of Byproduct Material License, the question has arisen as to the necessity of submitting forms AEC-313 for the purpose of renewing that license. Our application for a Byproduct License of broader coverage is presently being reviewed by Mr. R. E. Brinkman of your office. In view of this fact we would appreciate information as to whether or not we should renew the existing license.

Yours very truly,
