Dear Mr. Jones:

Please refer to our License Number 35-19160-01, Amendment 01. Condition 12 of this amendment did not contain the name of Mr. James Wilson of our Central Region as requested by our letter of January 27, 1981. Since there was another Mr. Wilson, Ray Wilson of our Southern Region, that you did include, we suspect that this was an oversight. If not, please advise of any additional training that you recommend for Mr. James Wilson.

Thank you very much for your assistance.

Sincerely,

Peter A. Jacobson
Director
Office of Maintenance Management
