Gentlemen:

This responds to your recent inquiry regarding your receipt of Invoice L- 1505-72 , dated February 17, 1972, covering fees for facilities and materials licenses.

The invoice specifies the annual fee charged for your AEC license pursuant to Part 170 of the Commission's regulations (copy enclosed).

The invoice pertains to the following license issued to you:

License No. 24-01113-08 . This license authorizes the possession and use of various radioactive material (copy enclosed).

Please note that the fee invoice is not related to the expiration date specified in the license, nor does it affect renewal of your license.

We trust that the above provides you with the necessary information to identify the activity to which the fee is applicable.

Sincerely,

  
Wm. O. Miller
