Monsanto Company
ATTN: Accounts Payable Branch
800 North Lindbergh
St. Louis, Missouri 63166

Gentlemen:

This responds to your recent inquiry regarding your receipt of Invoice L-1592-73, dated January 24, 1973, covering fees for facilities and materials licenses.

The invoice specifies the annual fee charged for your AEC license pursuant to Part 170 of the Commission's regulations (copy enclosed).

The invoice pertains to the following license issued to you:

License No. 24-01113-08. This license authorizes the use of nickel-63 in sample analysis under the supervision of D. R. Beasecker, W. E. Koerner, M. L. Unland, O. P. Tanner or D. J. Dahm.

Please note that the fee invoice is not related to the expiration date specified in the license, nor does it affect renewal of your license.

We trust that the above provides you with the necessary information to identify the activity to which the fee is applicable.

Sincerely,

Original Signed by
Wm. O. Miller

Gentlemen:

Can you tell us how this
invoice was paid last year,
Check No., date, amount, etc.

We cannot locate exactly
which part of Monsanto Co.
or which person handled
this. Can you give us a
little more information?

Thank you.
