The installation will be done by:

CGR Medical Corporation
10150 Old Columbia Road
Columbia, Maryland 21046

Maryland License # MD-27-028-01

The Cobalt room at Misericordia Hospital was designed to use up to 8000 curies of Cobalt. No change in shielding is expected.

The Alcon II has a retractable primary shield. We have requested that this shield be locked in the out position.

Our anticipated schedule is hopefully December 16, 17, 1985 - removal of Cobalt Units. December 23, 1985 - installation of new units.

Sincerely yours,

C. Jules Rominger, M.D.
