SUMMARY

Room 27 - where's it located? - doorways - indicated
do they have lockable doors
Room 527 - where's it located

NRC Policy states no two licensees in same building
unless physically & Administratively separate. The
addition of the the two rooms and Yale's providing
all your ^{H.P.} services requires them to have to pay a fee or
you to get services from another entity. As suggest to you
initially you should be a permit holder under Yale's
license - You should terminate your license -
unless Yale agrees to get a service license.
