Dear Ms. Jackson,

As I informed you, during our phone conversation of April 4, I was unclear about the renewal fees of our NRC license #06-06922-02, control # 03567.

Enclosed in our letter of April 2 was an application fee of \$150.00, which was sent to the Material Licensing Branch, Division of Fuel Cycle and Material Safety. I am now enclosing a check in the amount of \$400.00, as per your instructions, the balance due on the renewal fee of \$580.00 as specified in 170.31 (7C) of 10 CFR 170.

Please accept my apologies for the inconvenience caused by this discrepancy.

Sincerely,

James A. Shanahan
Chief Technologist
Dept. of Nuclear Medicine
