ATTN: Mr. Potter

Dear Mr. Potter:

Please terminate Corning Glass Works' Blacksburg Plant Federal Radioactive Materials License No. 45-11980-03 authorizing the possession and use of Level Link Inc. radioactive source for our glass melting furnace.

The above source was shipped June of 1984 to Level Link Inc., 1205 West Barkely Street, Orange, CA 92668 for disposal under California Radioactive Material License No. 2105.

Very truly yours,

*Joseph J. Kapfhammer*
