Attention: Mr. Richard E. Cunningham  
Chief, Isotopes Branch  
Division of Materials Licensing

Dear Sir:

USAEC, by-product material, License No. 24-113-13 (A65) was granted to us in January 1963. It has since been renewed twice and amended four times, with a present expiration date of January 31, 1969.

The initial granting of the license showed (under condition #12) the supervision names of W. S. Henderson and E. R. Billen. This correspondence is to inform you that E. R. Billen is no longer associated with this equipment or those provided for by the first four amendments. Please correct your records by substituting my name as signed below.

Yours very truly

MONSANTO COMPANY
