Re: Report No. 52-19438-01/85-01

Dear Sir:

03017711

Enclosed please find a copy of our letter to Mr. Robert S. Brown dated November 15, 1985, which is an advance reply to your notification of violation.

Mr. Jesús Osorio visited us yesterday and showed us all of this records. He pointed out the following corrections or clarifications of the items mentioned in my previous letter and on your notice:

- A. No change.
- B. The quarterly maintenance reports were up to date but were not filled properly; however, the maintenance has been kept up to date.
- C. The utilization logs have always been kept and they are up to date, but they are filed as "Source Log" and because of this they were not located on Mr. Brown's visit.

In case you need additional clarification, or if you should have any doubts, you may contact me at tel. 809-836-1340 or Mr. Jesús Osorio at tel. 809-752-5854.

Sincerely,

Modesto Planas
