Re: NRC License 06-06922-02
St. Joseph Hospital

Dear Sir:

Please amend License 06-06922-02 to remove Frank Lauro, M.D. as a user for Group VI and add Frank Anthony Masino, M.D. as a user for Group VI.

Dr. Masino has been approved by our Radiation Safety Committee and the Hospital Administration. He is presently licensed under N.R.C. License #06-06697-01 for Group VI. Enclosed is his curriculum vitae.

Your prompt attention to this matter would be greatly appreciated.

Sincerely,

James J. McSweeney, M.D.
