Re: Proposed Agenda for Meeting on  
December 5, 1985  
Docket #40-8783  
License #SUA-1401

Dear Dr. Pettengill:

It has been confirmed through Mr. Bill Kearney, WDEQ-LQD, that the requested meeting with you and/or your staff and LQD will be at their Cheyenne offices, Thursday, December 5th, 1985, at 1:00 p.m. Uranerz U.S.A., Inc. would like to propose the following agenda for that meeting:

1. General discussions as to the status of restoration and stabilization as of the data from the UUS/WDEQ-LQD/NRC split sampling event on September 18, 1985.
2. Would like to determine, based on previous discussions and the Final Restoration and Stabilization Report submitted, if all criteria for signoff have been met.

This agenda is proposed as topics that UUS would like to discuss, however, should your staff have additional items they would like to cover, please feel free to add them to the list.

Should you or your staff require additional data or information prior to that meeting on the 5th, please contact us at any time.

Sincerely,

URANERZ U.S.A., INC.
