Attention: Mr. Richard E. Cunningham  
Chief, Isotopus Branch  
Division of Materials Licensing

Dear Sir:

USAEC, by-product license No. 24-1113-13 (A65) was granted to us in January 1963. It has since been renewed three times and amended nine times with a present expiration date of January 31, 1974.

Amendment No. 9 to the license (Subject: Condition #12) changed the supervision names to Norman L. Marsh or Richard C. Hart. This correspondence is to inform you that because of a change in assignments I will no longer be associated with the equipment covered by this license or any of its amendments. Mr. Charles N. McClanahan will be replacing me in this capacity on January 3, 1972. Please issue an amendment substituting Mr. McClanahan's name in place of Norman L. Marsh.

Yours very truly,

MONSANTO COMPANY
