Gentlemen:

I wish to make, by this letter, an application for amendment of the Monsanto Company License No. 24-1113-7. I request that this amendment consist of the addition of my name as an individual user replacing Mr. Mark Nugent.

For the past nine months I have received my experience, training in radiation protection, monitoring techniques, and calculations basic to the use and measurement of radioactivity from Mr. Mark Nugent.

Sincerely,

Donald Widdows
