Attention: Mr. R. W. Slavens
Electrical Supervisor

Gentlemen:

Thank you for your letter of July 24, 1958, in reply to our letter of July 9, 1958.

With regard to the deficiency described in item 5 of our letter of July 9th, results of surveys are to be maintained as required by Section 20.401(a), Records of surveys, radiation monitoring and disposal. Should you have any questions about this matter, please feel free to write us. Records will be reviewed during the next inspection of your facilities.

Your letter of July 24th indicates that you have corrected the other deficiencies in your byproduct material program which we brought to your attention in our letter of July 9th.

Your cooperation is appreciated.

Very truly yours,

James R. Slattery, Chief
