Monsanto Chemical Company
Research Department
St. Louis, Missouri

SUBJECT : QUALIFICATION CERTIFICATE
RADIATION TRAINING PYR-A-LARM FIRE & SMOKE
DETECTION SYSTEMS

Dear Messrs. Clark, Bezilli, and Fricke:

It is a pleasure for us to enclose your "Certificate of Qualification", which represents satisfactory completion of the Pyrotronics Training Course B-166.

This Certificate should be held in file by the Company under whose name you will operate. The Certificate must be available for inspection by the U.S. Atomic Energy Commission Inspector.

This Certificate indicates that you are qualified to Leak Test, clean, and check the sensitivity of Pyr-A-Larm detectors. It is understood that these operations will be performed under a proper A.E.C. or Agreement State License.

Pyrotronics has on file for inspection by the A.E.C. investigator names of all personnel to whom they have issued Certificates.

Very truly yours,

Warren K. Groome
