

February 7, 1997

Dr. Robert Dudley
Apollo Fire Detectors Limited
6 Solent Road
Havant, Hampshire, England P09 1JH

Dear Dr. Dudley:

Based on the information and test data submitted in your application dated June 11, 1996 and subsequent letters, with enclosures thereto, we conclude Models 60A and XP95A are acceptable for licensing purposes in accordance with the conditions of the enclosed registration certificate (NR-160-D-101-E).

Please be advised that you must manufacture and distribute the product in accordance with the statements and representations contained in your application, with enclosures thereto, and the information set out in your registration certificate. As a general rule, you must request and obtain an amendment to the certificate before you make changes or modifications to the information submitted to obtain the certificate.

Please read over the registration certificate in its entirety and notify us immediately of any errors or omissions.

You are obligated to notify us promptly in writing should you decide to no longer manufacture or offer service support for the product.

Please be aware that, as a holder of an NRC registration, you may be subject to the NRC's licensing and inspection fees in accordance with 10 CFR Part 170, and annual fees in accordance with 10 CFR Part 171. If you have any questions concerning the fee requirements, please contact the License Fee and Debt Collection Branch at (301) 415-7544.

If you have any questions, please contact me at (301) 415-5799 or Mr. Steven Baggett at (301) 415-7273.

Sincerely,

Eric B. Compton, Engineering Co-op

Steve

This action is for Apollo.

The License referenced in the action uses the address as shown on the attached sheet.

APOLLO doesn't have a Regist. Certif in their Name that I can see, but RES, NR 01600101E distributes their products.

My question is, for what Registration # does this action no. apply?

Thanks, Sandy
