Rhode Island Atomic Energy Commission
ATTN: Mr. A. Francis DiMeglio, Director
Nuclear Science Center
South Ferry Road
Narragansett, RI 02882-1197

Gentlemen:

This refers to the Commission's September 27, 1985 Order to Show Cause why all excess high enriched uranium fuel should not be removed to a secure facility away from your reactor site.

It is our understanding that you consent to the entry of the Order since you neither contested the Order nor requested a hearing on the Order.

Sincerely,

Original Signed by G. W. McCorkle
