Gentlemen:

HOPE CREEK GENERATING STATION  
DOCKET NO. 50-354

We have reviewed the Proof and Review copy of the Environmental Protection Plan (EPP) submitted by your letter of October 16, 1985. We find the document to be acceptable and only offer a minor comment. Since Section 5.1 discusses review administrative procedures, but not auditing procedures; the term "and Audit" should be removed from the 5.1 title and subsequently changed in the Table of Contents.

Should you have any questions in this regard, please contact us.

Very truly yours,
