Nuclear Materials Section B  
Division of Engineering and  
Technical Programs

Dear Dr. Glenn:

Re: License No. 29-18240-01

Enclosed please find an Application for Renewal of License No. 29-18240-01. We do not wish to possess Group 3 of 10 CFR, Part 35.100, Schedule A, because we do not use generators. Should the need arise we will advise accordingly.

Please note that the name of the hospital has been changed to Kennedy Memorial Hospitals at Saddle Brook, effective May 1, 1985.

Should you have any questions regarding the above matter, please do not hesitate to call us.

Sincerely yours,

Paul R. Cardillo  
Associate Executive Director
