Re: Materials License No. 24-17152-01
Ryckman/Edgerley/Tomlinson & Associates, Inc.

Dear Dr. Cooper:

We would like to amend the subject license as follows:

1. Change the name of licensee to Envirodyne Engineers, Inc. Effective January 1, 1978, Ryckman/Edgerley/Tomlinson & Associates and five other professional service firms were consolidated to form Envirodyne Engineers. Operations at this location continue as before. *Amend per Cooper*
2. Paragraph 12 to read: "Licensed material shall be used by, or under the supervision of, D. C. Kennedy, F. T. Hammer, or C. A. Hammer-Byington."

Please contact me if you have any questions. Thank you for your assistance.

Very truly yours,

James W. Irvin
