dated November 15, 1983.

(c): Cordell Reed letter to H. R. Denton
dated April 14, 1983.

Dear Mr. Denton:

Enclosed please find the "Final Summary Review of the Human Factors Review for the Quad Cities Station Emergency Response Facilities". This report meets the Commonwealth Edison NUREG-0737, Supplement 1, Item V.a.2.a and V.c.1.a commitments in reference (b) and the regulatory requirements of Item 3 in reference (a).

The report summarizes the review methodology, findings, responses, and proposed schedule for implementation of the respective corrective actions resulting from this review.

If there are any further questions regarding this matter, please contact this office.

One signed original and seven (7) copies of this letter and its attachment are enclosed.

Very truly yours,

H. L. Massin

Nuclear Licensing Administrator
