MEMORANDUM FOR: L. G. McGregor, SRI, Dresden Site
FROM: W. S. Little, Director, Braidwood Project
SUBJECT: MC GREGOR MEMORANDUM CONCERNING INTERNAL CLEANLINESS OF SAFETY
RELATED SYSTEM

Thank you for the subject memorandum dated December 2, 1985. This is helpful to Tom Tongue in following up on and closing out this issue.

Some have questioned whether the last paragraph on page 2 of your memorandum means that you believe new violations need to be issued in addition to that identified in Inspection Report 456/84-21; 457/84-20. I do not believe that is your position, however, if I am wrong please let me know.

Your statements on page 3 indicate that you are in agreement with the Licensee's corrective actions, and Mr. Tongue will closely follow these activities prior to closing this item.
