Gentlemen:

Recommend that application submitted by Fitzsimons General Hospital, Denver 30, Colorado, be approved.

The purpose of this application is to amend AEC Byproduct Material License Nos. 5-46-9 and 5-46-10, in their entirety, by consolidation of existing licenses for a facility program. If request for amendment of this program is acted upon by amending one of the existing license numbers, it is requested that this application be also considered as a renewal.

Sincerely yours,

ROSWELL G. DANIELS
