**Dear Sir:**

**Enclosed is Amendment No. 1 to License No. J-45-13.**

**Please note that the only authorized place of use for the  
byproduct material is at Denver. Upon receipt of information  
concerning the specific locations at which the Garton 14  
labelled compounds will be used together with a description  
of the facilities and equipment available for use of radio-  
isotopes at those locations, we shall be pleased to consider  
a license amendment to provide for them.**

**Sincerely yours,**

**Nathan Krasin  
Isotope Branch  
Division of Materials Licensing**
