SUBJECT: TIMELINESS RULE

We are acknowledging receipt of your letter dated September 12, 1996, notifying NRC of your former onsite burial of radioactive wastes and complying with the notification requirements of the decommissioning Timeliness Rule specified in 10 CFR 30.36(d). Your notification is considered timely filed. As discussed in Information Notice 96-47, NRC is currently developing a methodology that can be used as a screening tool to determine whether these burial sites are acceptable without further action. We will provide you with this screening tool as soon as it is available.

If you have any questions about this information, please telephone 817-860-8100 and request to speak to a member of the Nuclear Materials Licensing Branch.

Sincerely,

D. Blair Spitzberg, Ph.D., Chief
Nuclear Materials Licensing Branch
