

DEC 13 1985

Dr. John Ebel
Weston Observatory
of Boston College
381 Concord Road
Weston, MA 02193

Dear Dr. Ebel:

The Texas Instrument "Silent 700" portable data terminal (Serial No. 0478705297) was originally purchased by Boston College with title retained by the NRC. It is presently held by Program Planning and Control Branch of the Office of Nuclear Regulatory Research and has been issued NRC Property No. 012862.

Sincerely,

Andrew J. Murphy
Project Officer
