KERR-McGEE CHEMICAL CORPORATION
(Kress Creek Decontamination)

Docket No. 40-2061-SC

ASLBP No. 84-502-01-SC

December 23, 1985

MEMORANDUM AND ORDER

The schedule for this proceeding was discussed in conference telephone calls of December 4 and 11 in which all parties participated. Kerr-McGee and Staff proposed a schedule which would complete depositions by January 24, 1986 (see Staff counsel's letter to the Board of December 18), provide for written direct testimony to be filed by February 3, motions to strike any of that testimony by February 13, answers to such motions by February 24, and the hearing to commence March 3 or 10. No objection was voiced to this schedule. The Board approves the schedule and sets March 10, 1986, as the date on which the hearing will commence.

It is so ORDERED.
