**FREEDOM OF INFORMATION
ACT REQUEST**

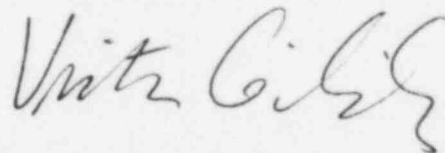

FOIA-85-437
rec'd 6/18/85

Dear Mr. Chilk:

I am writing to follow up our conversation of several days ago concerning those of my documents which remained in your custody upon the expiration of my term of office in June 1984. As you know, a number of documents, amounting to approximately a box and a half, were removed before the rest were sent to the Hoover Library.

As you were reluctant, in response to my request, to provide a listing of the documents which had been removed, you have left me little choice but to invoke the cold formalities of the law and to ask for these documents under the provisions of the Freedom of Information Act, which I hereby do. There should be no need for any search as the documents are now held in the Office of the Secretary.

Sincerely,

VG/rmm
