Gentlemen:

Subject: Inspection No. 85-01

This refers to your letters dated October 3 and November 1, 1985, in response to our letter dated September 4, 1985.

Thank you for informing us of the corrective and preventive actions documented in your letters. Please be advised, however, that no activities involving byproduct materials are in accordance with NRC regulations unless authorized by a license issued pursuant to receipt, possession, use storage, and/or distribution of byproduct material.

You will remain in violation of the NRC regulations until your program is in accordance with your existing license conditions.

If you desire to operate your licensed program as you stated in your response letters dated October 3 and November 1, and telephone conversation of October 22, 1985, you should submit a request to amend your license accordingly. Submit your request to the U.S. Nuclear Regulatory Commission, Region I, Nuclear Materials Safety Section B, 631 Park Avenue, King of Prussia, PA 19406. Please enclose the required fee.

Your cooperation with us is appreciated.

Sincerely,

Original Signed By:
