

NOTICE OF VIOLATION

Professional Service Industries, Inc.
Lansing, Michigan

Docket No. 030-31533
License No. 21-26141-01
EA 96-490

During an NRC inspection conducted on November 19, 1996, a violation of NRC requirements was identified. In accordance with the "General Statement of Policy and Procedure for NRC Enforcement Actions," NUREG-1600, the violation is listed below:

10 CFR 20.1801 requires that the licensee secure from unauthorized removal licensed materials that are stored in an unrestricted area. 10 CFR 20.1802 requires that the licensee control and maintain constant surveillance of licensed material that is in an unrestricted area and that is not in storage. As defined in 10 CFR 20.1003, an unrestricted area means an area, access to which is neither limited nor controlled by the licensee.

Contrary to the above, on November 19, 1996, the licensee did not secure from unauthorized removal or limit access to a Campbell Pacific Nuclear moisture/density gauge containing NRC-licensed material (nominally 10 millicuries (370 Mbq) of cesium-137 and nominally 50 millicuries (1850 Mbq) of americium-241 in sealed sources) at a construction site in Detroit, Michigan, an unrestricted area, nor did the licensee control and maintain constant surveillance of this licensed material. (01013)

This is a Severity Level III violation (Supplement IV).

The NRC has concluded that information regarding the reasons for the violation, and the corrective actions taken and planned to correct the violation and prevent recurrence is already adequately addressed in a letter from PSI dated January 31, 1997. However, you are required to respond to the provisions of 10 CFR 2.201 if the description therein does not accurately reflect your corrective actions or your position. In that case, or if you choose to respond, clearly mark your response as a "Reply to a Notice of Violation," and send it to the U. S. Nuclear Regulatory Commission, ATTN: Document Control Desk, Washington, D.C. 20555, with a copy to the Regional Administrator, Region III, 801 Warrenville Road, Lisle, Illinois 60532-4351, within 30 days of the date of the letter transmitting this Notice of Violation.

Dated at Lisle, Illinois
