U. S. Nuclear Regulatory Commission  
Region III, Material Licensing Section  
299 Roosevelt Road  
Glen Ellyn, Illinois 60137

Gentlemen:

We wish to advise you of a change of personnel listed on our License No. 34-13571-01, expiration date May 31, 1990. Due to retirement of Mr. R. L. Long and Mr. R. E. Crumrine, the following replacements have been named.

Mr. G. A. Cummings will replace Mr. R. L. Long. Mr. P. A. Cosart will replace Mr. R. E. Crumrine. Both of the replacement personnel have received on the job training on securing the sources, survey testing and wipe testing. They are also scheduled to attend the Ohmart Technical Training School session on "Radiation Safety" beginning November 11, 1985 in Cincinnati, Ohio.

We understand that this letter advising you of a personnel change and enclosed check covering the \$60.00 fee will keep our license valid. This guidance was received from Pat Vacherlon of your office by phone on August 16, 1985.

Very truly yours,

William W. Grimes
