MEMORANDUM TO: Larry W. Camper, Chief
Medical, Academic, and Commercial Safety Branch
Division of Industrial and Medical Nuclear Safety
Office of Nuclear Material Safety and Safeguards

FROM: Brenda Jo. Shelton, Chief
Information and Records Management Branch
Office of Information Resources Management

SUBJECT: TRANSFER OF RECORDS TO THE STATE OF
MASSACHUSETTS

As requested by your memorandum of February 3, 1997, the Information and Records Management Branch is forwarding to you the sealed source device files and material licenses that you requested for transfer to the State of Massachusetts. The records consist of 284 case file records, totalling 24 boxes, as identified on the attached NRC Forms 519, "Transfer of Official NRC Records to an Agreement State." Also attached, is a listing of 14 files that were not located in the File Center or the NRC Archival Facility. A listing of the missing files has been provided to the Sealed Source Safety Section for their determination of the status of these records. My staff have checked all possible sources and have no record of receiving these files. Should you have any questions or need additional information, please contact me on 415-7233 or e-mail BJS1.

UNITED STATES
NUCLEAR REGULATORY COMMISSION

WASHINGTON, D.C. 20555-0001

February 3, 1997

MEMORANDUM TO: Brenda Shelton, Chief
Information and Records Management Branch
Division of Information Support Services
Office of Information Resource Management

FROM: Larry W. Camper, Chief
Medical, Academic and
Commercial Safety Branch
Division of Industrial and
Medical Nuclear Safety, NMSS

SUBJECT: TRANSFER OF FILES TO THE STATE OF MASSACHUSETTS

This is in reference to our E-mail request to Central Files on January 24, 1997, to have the Sealed Source Device files transferred to the State of Massachusetts. The State of Massachusetts is becoming an Agreement state and must have these files by March 14, 1997. The State will become responsible for these registration certificates. Central files will be required to copy all material in these files; this includes all drawings and completed background information. The copies of these files will then become the Agency's official record. The originals should be boxed and a listing developed of the files that are in the box. The listing and boxes should be delivered to Kim Randall no later than February 28, 1997.

If you have any questions or concerns, please contact me at 415-7231 or Kim Randall at 415-7857 for the Sealed Source and Device registrations.
