Amendment No. 32

17. Except as specifically provided otherwise by this license, the licensee shall possess and use licensed material described in Items 6, 7, and 8 of this license in accordance with statements, representations, and procedures contained in application dated July 22, 1983; letters dated December 6, 1983, June 18, 1984 (with attachments), August 6, 1984, February 19, 1985, July 26, 1985, and September 19, 1985; letter received December 19, 1984; and ALARA Program dated November, 1983. The Nuclear Regulatory Commission's regulations shall govern the licensee's statements in applications or letters, unless the statements are more restrictive than the regulations.
