Dear Ms. Holt:

We wish to ammend our license no. 21-19295-01 so that we can receive from QED Corporation an additional nickel-63 foil source of 15 millicuries.

This source is described as: "Hewlett-PACKard Electron Capture Detector No. 18803-60520: 15 millicuries Ni63 plated part."

In the event of disposal we will return to manufacturer. Maintainence, relocation, or cleaning of source will be done by manufacturer: Hewlett-PACKard Co., Route 41 and Starr Road, Avondale, Penn., 19311.

Enclosed is our check for the \$40.00 ammendment fee.

Yours very truly,

Peter W. Reksnan
