Gentlemen:

Pursuant to Title 10, Code of Federal Regulations, Part 40, and in accordance with your request dated September 30, 1985, Source Material License SUA-1326 is hereby amended by revising License Condition No. 4 to read as follows:

4. Expiration Date: April 1, 1986.

The effect of this amendment is to extend the expiration date of SUA-1326 from September 30, 1985 to April 1, 1986 to facilitate the review of the final decommissioning report (submitted to NRC on September 25, 1985) and subsequent termination of the Source Material License. The license has been revised in its entirety and is reissued with this letter.
