Re: Texas Utilities Electric Company et al.
(Comanche Peak Steam Electric Station, Units 1 & 2
Docket Nos. 50-445 and 50-446 OL ~~*****~~)

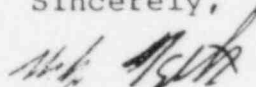

Dear Mr. Chalk:

As counsel for one of the owners of Comanche Peak, Tex-La Electric Cooperative of Texas, it has come to our attention that we may not be receiving all materials being issued in these cases by various bodies within the Commission, particularly orders and other documents filed by either the Atomic Safety and Licensing Board, or the Atomic Safety and Licensing Appeal Board. Accordingly, we would very much appreciate it if you could arrange for Tex-La to be placed on all applicable service lists so that it receives all documents issued in these matters by all bodies and offices at the Commission, including the licensing Board and the Appeal Board. All documents may be served on Tex-La at the following address:

William H. Burchette, Esq.
Mark D. Nozette, Esq.

Thank you very much for your assistance in this matter.

Sincerely,

Mark Nozette
