DEAR COMMISSIONER ZECK;

THANK YOU FOR YOUR LETTER CLARIFYING YOUR  
POSITION ON MY TOUR OF THE PERRY NUCLEAR POWER  
PLANT. I APPRECIATE YOUR CONCERN FOR THE  
INTERVENORS.

IT DOESN'T DISTURB ME THAT I WAS NOT ABLE  
TO TOUR THE PLANT NOV 12, BECAUSE I DID ACCOMPANY  
COMMISSIONER ASSELSTINE ON A PREVIOUS TOUR OF  
PERRY. BESIDES THAT PLANT SCARES THE HELL OUT  
OF ME. WHAT DOES DISTURB ME IS THE ATTITUDE  
THAT MR. EDELMAN'S COMMENTS REFLECT. IF HE  
IS WILLING TO MISREPRESENT HIMSELF ON SUCH  
A SMALL MATTER AS AN INTERVIEWER TOUR, WHAT  
HAPPENS CONCERNING MUCH MORE SERIOUS AND  
POTENTIALLY COSTLY OR DANGEROUS MATTERS?

HE ALSO ACTIVELY DISCOURAGED MY ATTENDANCE  
AT YOUR CRITIQUE AFTER THE TOUR. HOWEVER, SINCE  
THERE WAS NO OTHER MEMBER OF THE PUBLIC OR  
PRESS THERE, I FELT OBLIGED TO ATTEND. I  
FOUND YOUR COMMENTS VERY INTERESTING, ESPECIALLY  
THOSE CONCERNING SLIPPING THE FUEL LOAD DATE  
AND THE "CLEAN, QUIET AND TIGHT PLANT" COMMENTS  
ONCE AGAIN THANK YOU FOR YOUR CONCERN  
AND LETTER.

SINCERELY

Stephen Saxe
